# GROW YOUR PEOPLE LIKE THE BEST DO!

**Skillsoft Business and Professional Skills puts world-class business, tech and leadership skills within reach for all teams, no matter the size.**

No need to build it all yourself. No patchwork of courses from free sites. You get trusted, expertly curated learning, personalised by AI, delivered on Skillsoft's smart Percipio platform with role-based pathways and Skills Benchmarking. It's simple to roll out, easy to manage, and proven to close skill gaps – fast. Now you can grow your people like the best do.

**Are you tired of generic courses that don't build the skills your business needs?**

## Switch on AI-powered, trusted, interactive learning!

**Collections include business skills, management, productivity and collaboration tools.**

### Curated Content Library

Access thousands of business, tech and leadership courses – all created and updated by trusted experts. Every learning asset is backed by expert instructional design, so your people learn real skills that stick.

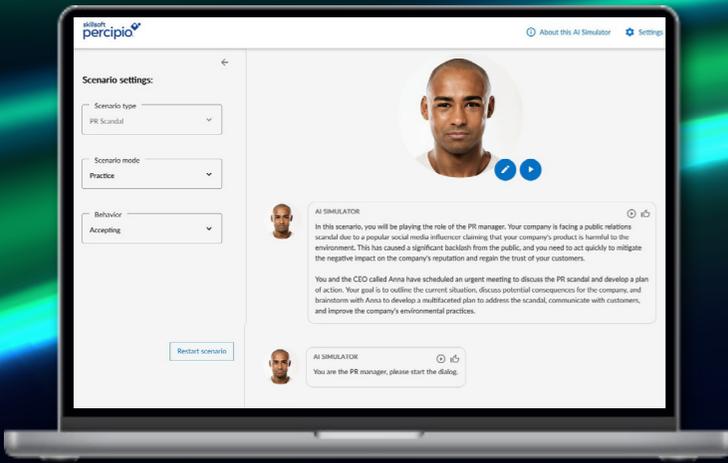

### Aspire Learning Journeys

Pre-designed and ready-to-use role- and skill-based pathways that guide your people step by step so they always know what to learn next and why it matters.

### Skillsoft Percipio Learning Platform

Skillsoft's cloud-based platform brings the learning experience together – personalised recommendations, anytime access on any device, and clear dashboards to track skills growth.

# Skillsoft CAISY™

With **Skillsoft CAISY™**, your people practise real workplace conversations before they count – building not just knowledge, but everyday confidence.

When skills gaps slow your business down, figuring out where to start can feel overwhelming – especially without a full HR team on hand. Skillsoft makes it simple. You get trusted, structured learning that's ready-made and easy to roll out, so your people build the right skills, exactly when they need them. It's not generic or one size fits all. It's smart, guided and feels like having an expert coach by your side – helping your teams close skills gaps confidently, without the heavy lifting.

## Why it works

- Expert-vetted courses – not crowdsourced content
- Pre-curated, step-by-step learning journeys
- Skillsoft CAISY™ – Skillsoft's AI conversation simulator – turns passive learning into hands-on skill building
- Robust dashboards show who's learning what, who needs help, and how skills are growing

## Practical skills to keep business moving and people growing.

### 5,000+ CURATED COURSES

across business, leadership, tech and compliance, all on one platform

### STRUCTURED JOURNEYS

to guide your people through tailored skill- and role-specific development paths

### BUILD REAL-WORLD BUSINESS SKILLS
